

* In exchange programs managed by School of Engineering, students are not authorized to travel overseas to countries/regions designated as MOFA Warning Level 2 (Avoid Nonessential Travel) or above.

* MOFA Warning Level Website: <https://www.anzen.mofa.go.jp/riskmap/>

* Please be aware that due to the uncertainty caused by the outbreak of the coronavirus (COVID-19) pandemic, partner universities' study abroad programs may be cancelled or postponed. In case of unforeseeable circumstances, it is advised that you consider alternative plans in advance as well.

Procedure for Outbound Exchange Application

1. Prepare the application materials. (All in English except c.)
 - a. Application form (from the university you will be applying to)
 - b. Academic transcript in English (from undergraduate freshman year to present)
 - c. English or Japanese Certificate of Assured Entrance for Master's / Doctoral Program (only for those who are seniors and will be entering a Master's program, or 2nd-year Master's students who will be entering the Doctoral program by the time they leave for the exchange program.)
 - d. Study plan in English (any style)
 - e. English recommendation letter from your supervising professor or a professor who is in charge of your thesis
 - f. Copy of a minimum score of TOEFL iBT 79 or IELTS 6.5
(We will not accept your application if your score is below TOEFL iBT 79 or IELTS 6.5. We will accept scores from more than 2 years ago. However, make sure to check the requirements of the partner university you apply to; some universities might require the score taken less than 2 years old, or to be higher than TOEFL iBT 79 or IELTS 6.5.)
 - g. Any other documents that the partner university you apply to requires you to submit
 - (h). Approval Letter from supervising professor only if he/she is different from the one who wrote your recommendation letter. *Download it from OICE website.
 - i. Copy of residence card <front & back> (if applicable)
2. Submit 3 sets of the application documents (1 original and 2 copies) with a cover letter stamped by your department office, and send by your department office to OICE by the deadline. *Download cover letter from OICE website.
3. After reviewing the application materials, interviews will be conducted at OICE. The results will be announced within a week. If you pass the interview, OICE will nominate you to the partner university officially.
4. Submit the Acceptance Letter to OICE after receiving it from the partner university you applied. Then, you must submit the documents below to your Department Office.
 - a. Request for Approval to Study Abroad (required)
 - b. Study Plan (required)
 - c. Credit Approval Application 「単位認定申請書」 (if applicable)
 - d. Approval for the class registration and credit approval 「留学制度による授業科目及び単位数の認定について」 (if applicable)
5. You are required to join "Futai Kaigaku Insurance" upon our instruction. Joining "OSSMA" is optional.
 - ◆ The registration status at the University of Tokyo of a student studying at a partner university shall be "Study Abroad", upon approval by the faculty/graduate school that the student belongs to.
 - ◆ Pursuant to the student exchange memorandum, tuition at the partner university shall not be levied and the tuition specified by the University of Tokyo shall be paid to the University of Tokyo.

*OICE=Office of International Cooperation and Exchange

	Eligibility	Scholarship	Capacity	Notes
★Vienna Technical University	Younger than 35 years old Master's or PhD level student	<Amount> €585 per month (including dorm fee) <Period> 12, 9 or 6 months per student Max. of 30 months per year	3~5	The exchange office at VTU will match up a lab and a supervising professor with you. You can use English at your lab; however, English courses are limited. If you wish to take some courses, it is good to know German. Read the application procedure on VTU's application package very carefully. http://jasec.tuwien.ac.at/mobility_incoming/
★Munich University of Technology (TUM)	Master's or PhD level student	< Amount> TBA < Plane ticket > TBA	-

List of Partner Universities

Country	School	Country	School	
China	School of Electronic and Information Engineering, School of Aeronautic Science and Engineering, Beihang University	France ♪ You must be fluent in French language whether or not you are undergraduate level.	The Master's Program in Engineering Department, Sorbonne Université (Université Pierre et Marie Curie, Paris 6)	
	Dalian University of Technology		Centrale Supélec (Ecole Centrale Paris)	
	Graduate School of Tongji University		IMT Atlantique (Ecole des Mines de Nantes)	
	Beijing Jiaotong University		Institut National des Sciences Appliquées de Lyon (INSA Lyon)	
	College of Chemistry, Fuzhou University		Ecole des Mines de Paris	
Hong Kong	Faculty of Construction & Environment The Hong Kong Polytechnic University		Ecole des Ponts Paris Tech <Ecole Nationale des Ponts et Chaussées (ENPC)>	
	Indian Institute of Technology Madras		Institut Supérieur de l'Aéronautique et de l'Espace (ISAE)	
India	Indian Institute of Technology Hyderabad		French Civil Aviation University (ENAC)	
	Indian Institute of Technology Kharagpur		Ecole Centrale de Lyon	
	Indian Institute of Technology Kanpur		Université de Technologie de Troyes	
	Indian Institute of Technology Delhi	Ecole Normale Supérieure Paris-Saclay		
	Indian Institute of Technology Bombay	The University of Stuttgart		
	Indian Institutes of Management, Bangalore ※	Karlsruhe Institute of Technology		
Korea	College of Engineering, Seoul National University	Munich University of Technology		
Thailand	Asian Institute of Technology ※	Germany	Technical University Darmstadt	
	Sirindhorn International Institute of Technology, Thammasat University (SIIT)		Faculty of Engineering, Friedrich-Alexander University, Erlangen-Nuremberg	
Vietnam	Hanoi University of Science, Vietnam National University Hanoi		RWTH Aachen University (*Faculty limited)	
United Arab Emirates	Masdar Institute of Science and Technology		Ulm University	
Turkey	Faculty of Engineering, Middle East Technical University		Italy	Politecnico Di Torino
	Graduate School of Science, Engineering and Technology, Istanbul Technical University			Politecnico Di Milano
U.S.A.	University of California (All campuses) UCEAP		The Netherlands	Faculty of Mechanical, Maritime, and Materials Engineering (3ME), Delft University of Technology
Australia	Division of Information Technology, Engineering and the Environment, University of South Australia ※			The University of Twente
	Royal Melbourne Institute of Technology (RMIT)		Russia	St. Petersburg University, Management School
	Science and Engineering Faculty, Queensland University of Technology		Norway	Norwegian University of Science and Technology (NTNU)
New Zealand	The College of Engineering, The University of Canterbury	Spain	School of Architecture, Technical University of Madrid	
Austria	Vienna Technical University (★Scholarship €585/month) ※		Polytechnic University of Valencia	
		Graz University of Technology	Sweden	Chalmers University of Technology
Denmark	Technical University of Denmark		The Institute of Technology, Linköping University	
Finland	Aalto University (Except Architecture)	Switzerland	Swiss Federal Institute of Technology Lausanne (EPFL)	

Important Notes : - ※mark is for Graduate level students only. (M) is a Master's program only.

- ★The detail of each scholarship is on the next page.

- Undergraduate level students must be fluent in the native language of the country where they wish to go.

Some of the Partner Universities' Application Deadlines 2021

Name of Universities	Fall/Winter Semester	Deadline for Fall/Winter Semester	Spring/Summer Semester	Deadline for Spring/Summer Semester
University of California (All campuses) UCEAP	2021/8, 9- Last day depends on each campus.	Depends on each campus ♥Todai Engineering TBA	-	-
Vienna University of Technology	2021/10- (3-12 mos.)	2021/3/15	2021/3- (3-12 mos.)	2020/10/15
Graz University of Technology	2021/10-2022/1	2021/3/15	2021/3-2021/6	2020/9/15 Spring application only
